

Cable Marking Cable Labels

Printed PVC,
Laser Etched & Stamped
Stainless Steel Cable Labels

Sleeveless Tie On Markers

Ideally suited for indoor cable labelling, pipe and hose labelling the Sleeveless Cable Markers are made from a durable PVC material and simply tie on with cable ties. Sleeveless Cable Markers are available in White and Yellow and text can be printed in a variety of colours. See Reference Chart for Sizes and Colours. **(Recommended for indoor use only).**

Sleeved Tie On Markers

Sleeved Tie On Cable Markers are made from durable PVC and offer the added protection of a clear protective Plastic Sleeve complete with cutouts for cable tie fixing. The Sleeved Cable Marker inserts are available in White or Yellow and text can be printed in a range of colours. See Reference Chart for Sizes and Colours.

Stainless Steel Cable Markers – Etched or Embossed/Stamped

Laser Etched or Embossed/Stamped 316 Stainless Steel Cable Tags are ideal for heavy industrial, marine and chemical environments and can withstand prolonged exposure to extreme temperatures and UV conditions. The smooth, rounded edges ensure that our Cable Markers will not cause damage to cable insulation or installers. All Stainless Steel Cable Markers have raised sections with cut outs at either end to facilitate cable tie fixing. Stainless Steel Cable Labels are available as either Laser Etched/Engraved or Embossed/Stamped under our custom printing service.
